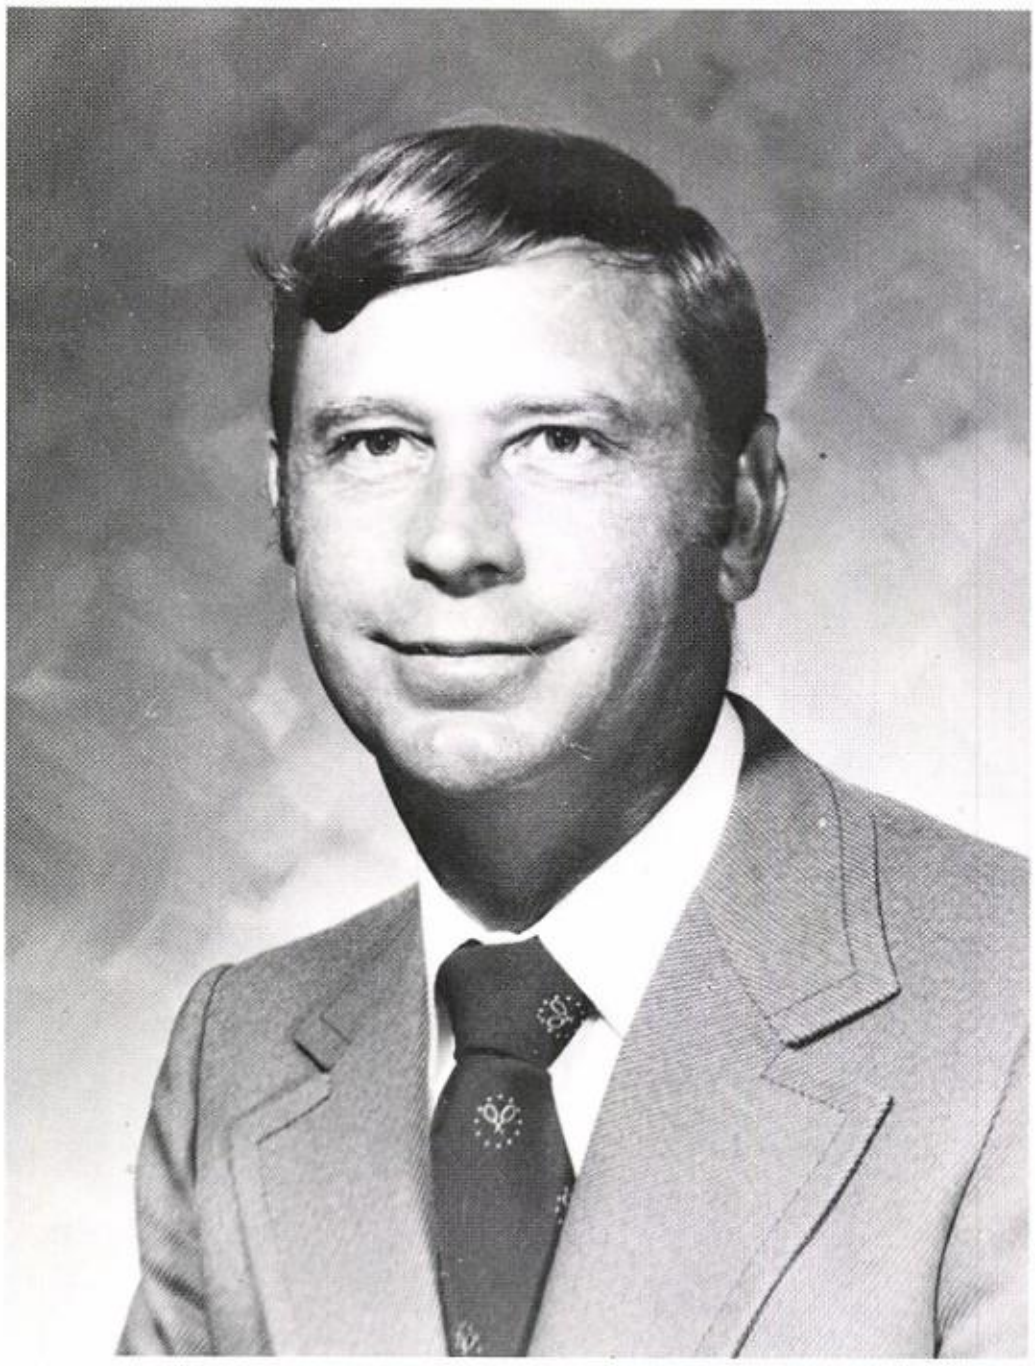
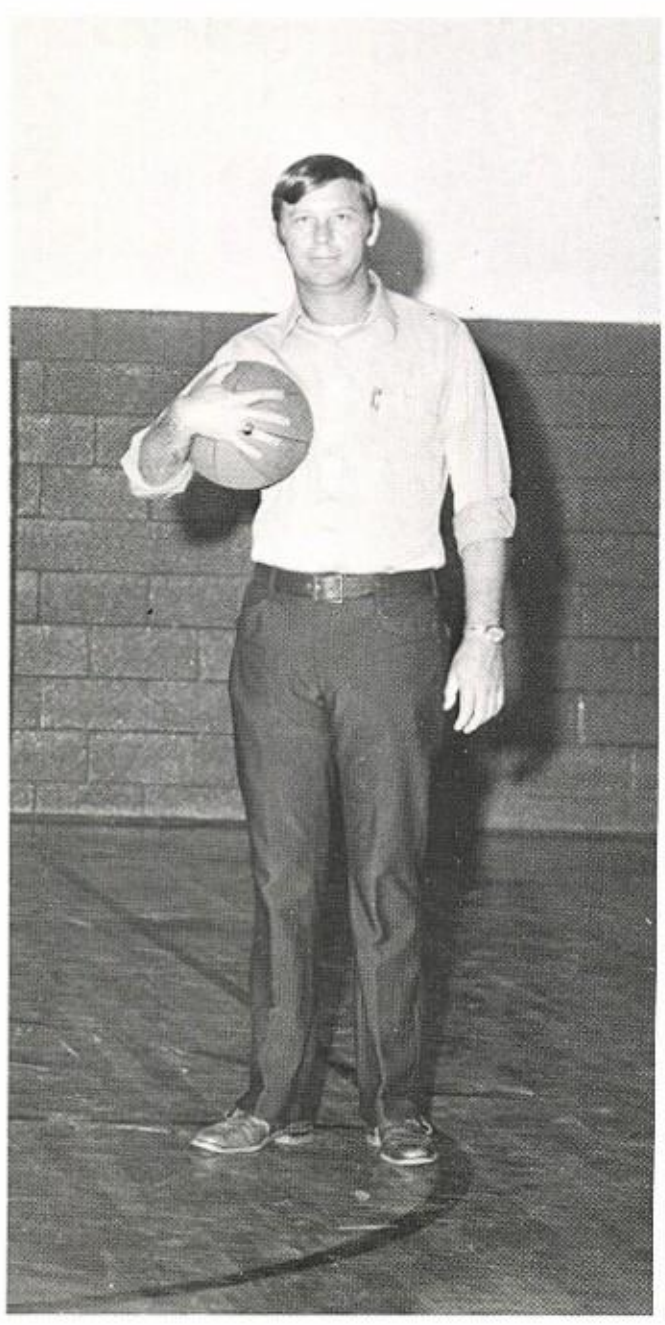
Last year G.H.S. gained not only an understanding principal and dedicated coach, but also an everlasting friend. At one time or another every student has had a problem and they appreciate having someone to turn to and to trust. Someone once said, "All men are equal, but it is what they are equal to—that makes the difference." With this in mind, the Annual Staff takes great pride in dedicating the 1973-74 Panther to Mr. Carl Dean Mallett.

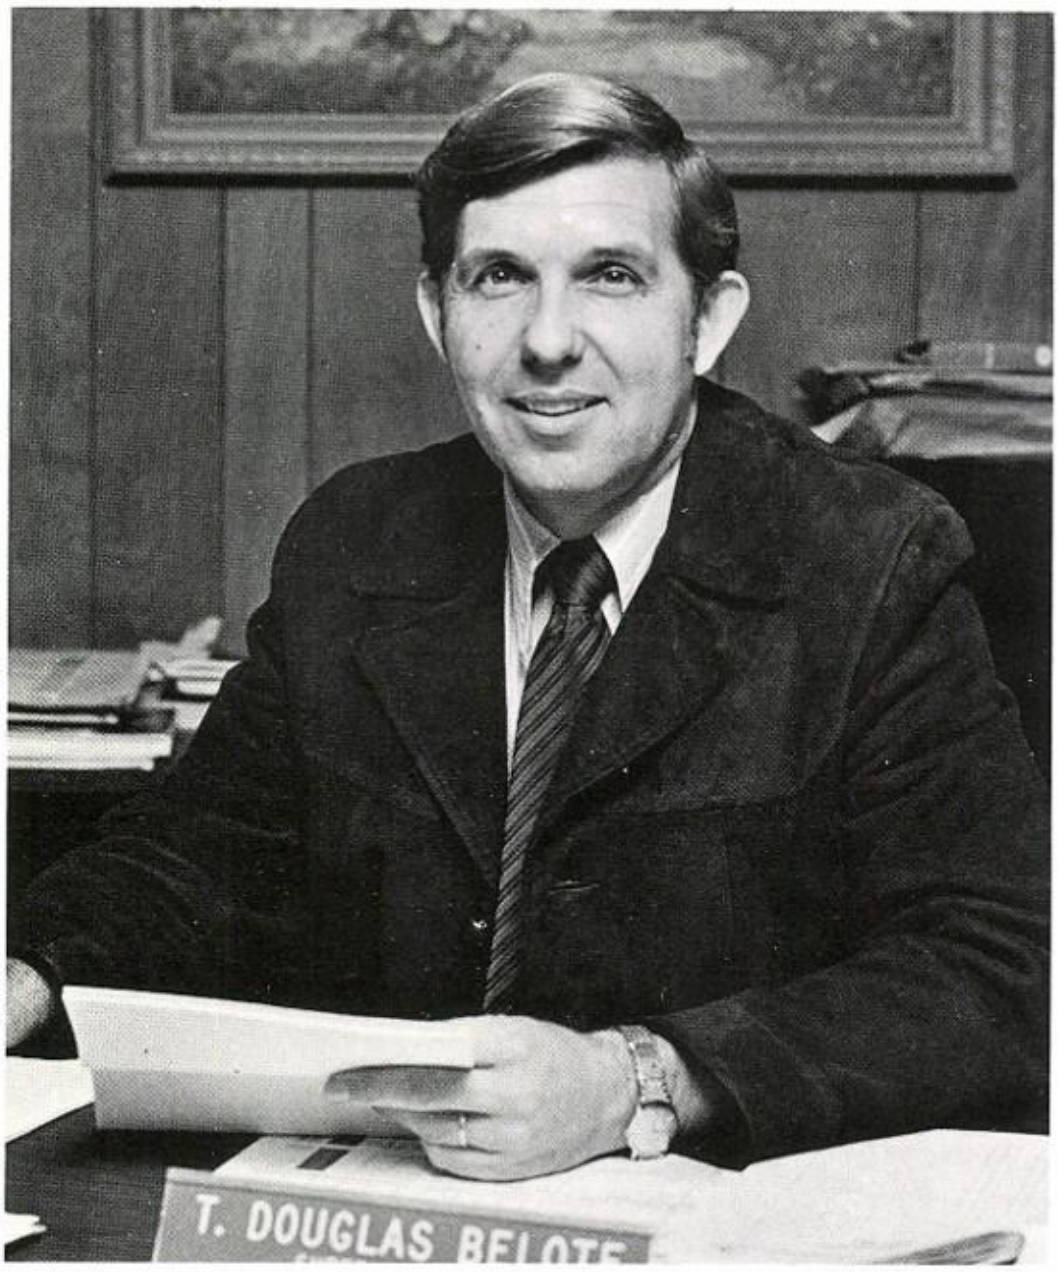


Dedication

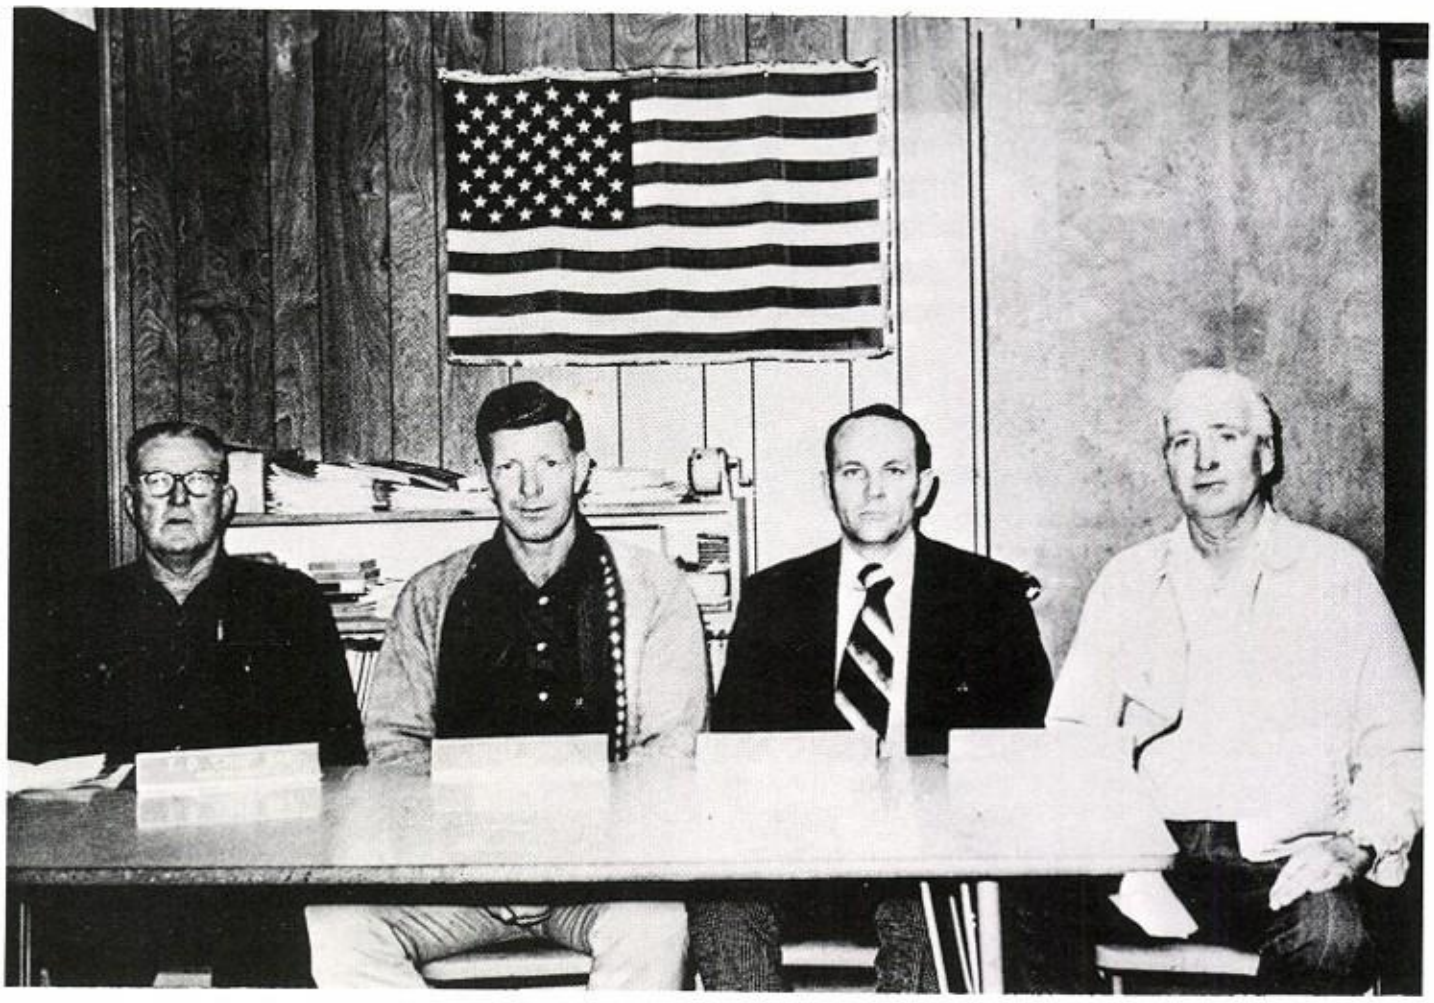


What good are memories that friends can't share.

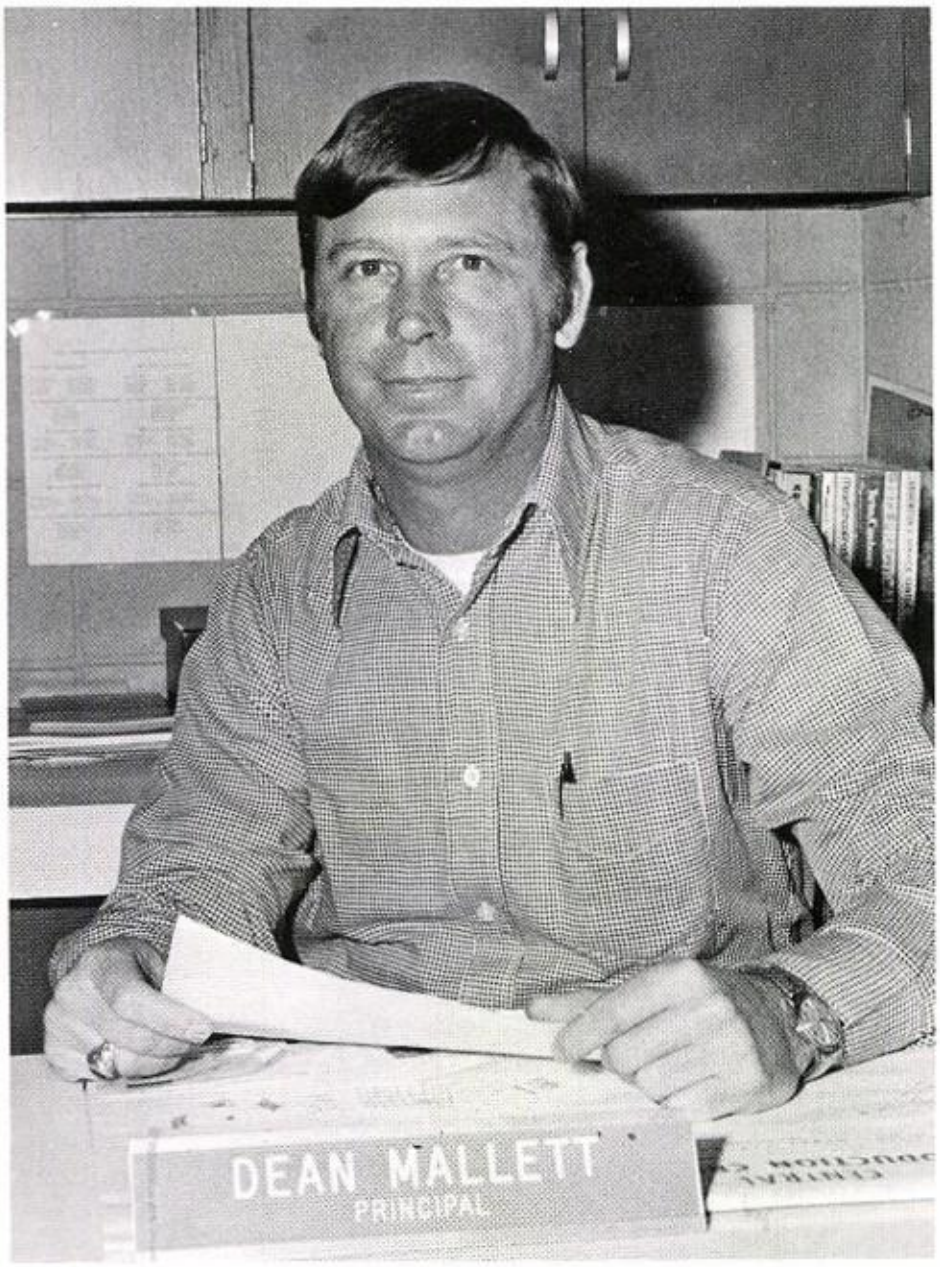
ADMINISTRATION



MR. T. DOUGLAS BELOTE has been Greenbrier's superintendent for three years. During these years he has brought about a better relationship between the administration and the student body. Mr. Belote always has a friendly smile and a kind word for all.



GREENBRIER SCHOOL BOARD MEMBERS
T. D. "Chap" Day, Vice-President; Billy Vann, Member; E. F. McMillen, Secretary; and Gene Dear, Member. Not pictured: Marvin Cantrell, President.



MR. DEAN MALLETT is perhaps one of the most respected and well-liked people on campus. As principal he contributes a lot to both the school and the student body. He holds a BSE and MSE from the State College of Arkansas and is now doing graduate work at the University of Arkansas.

MRS. DEAN MARTIN is Greenbrier's elementary school principal. Mrs. Martin guides with a firm but gay attitude. She has served as the elementary principal for many years, and we hope she serves for many more.

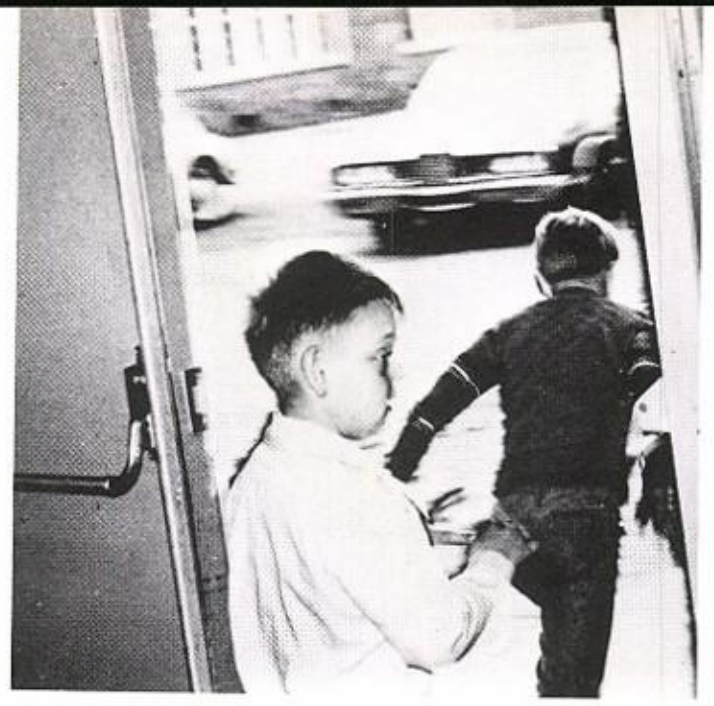
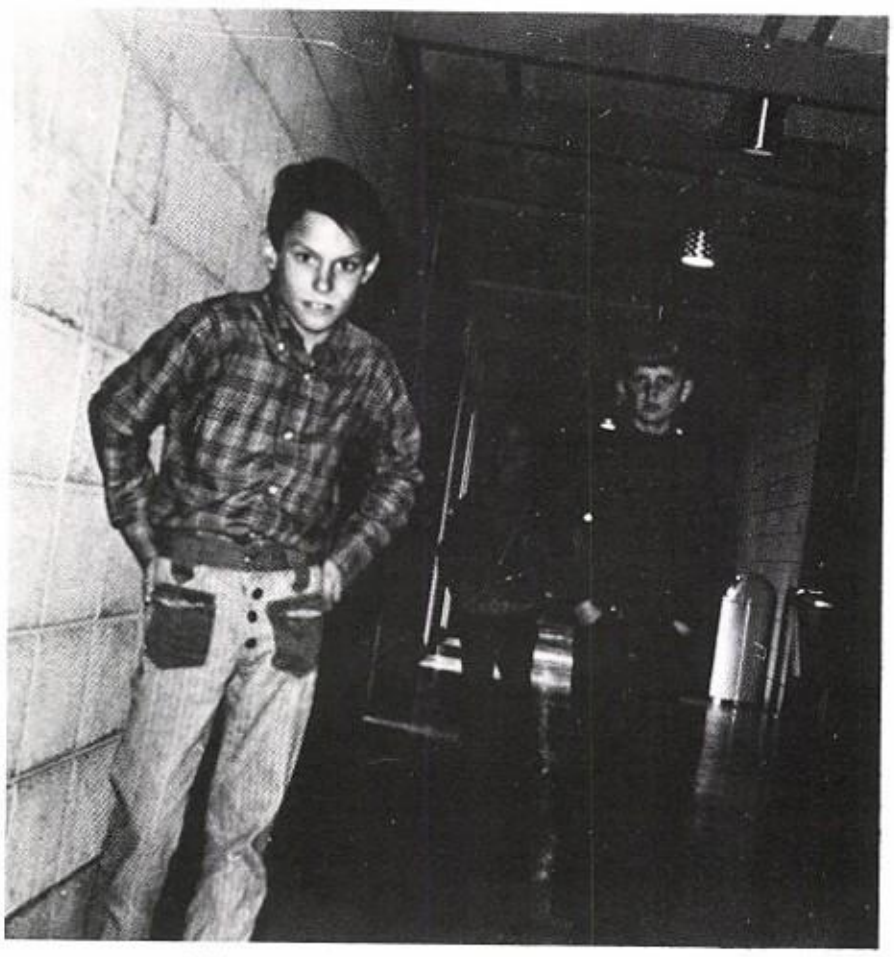
Who said it was hard to get an education?



I do believe I've been robbed!

I've heard of supervision, but this is ridiculous!



Who me? I was just standing here.

Reading, writing, arithmetic .... where does this fit in?

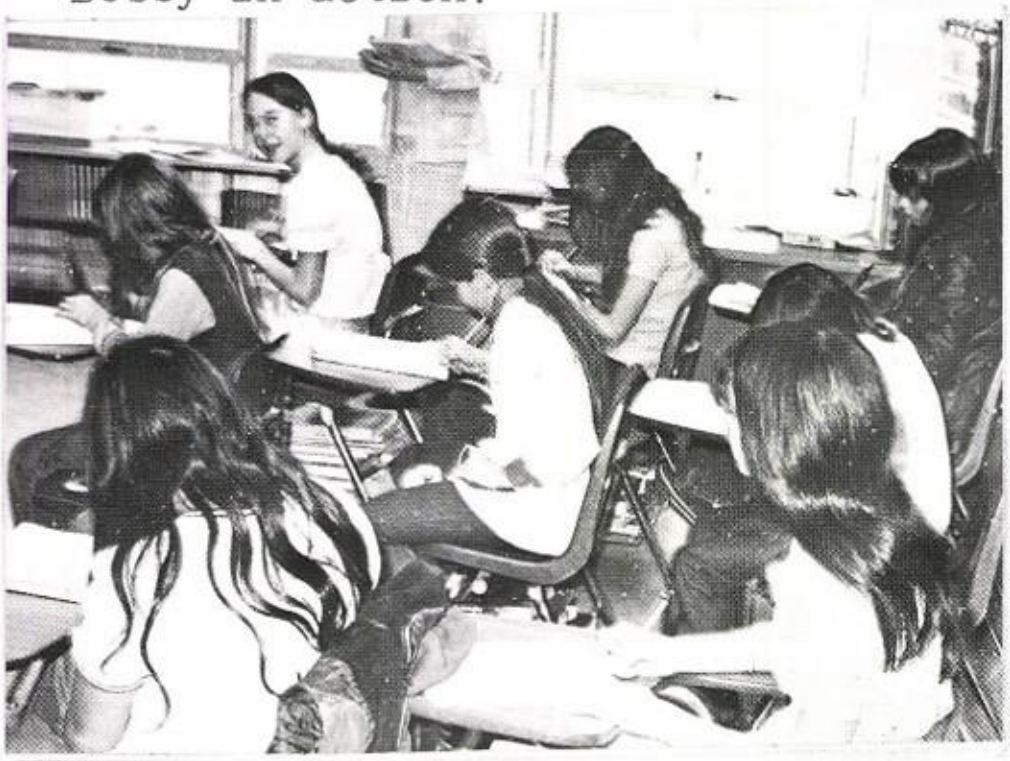
Another lesson in phone-bugging.

Bobby in action!

A hard working third grade.

Their memories are yet to be made.

Big deal!!



Sure, I have time for a picture.

1974 PANTHER QUEEN
BECKY REYNOLDS

On November 5, 1973 the annual Panther Queen Contest was held in the new Cafetorium.

Nineteen girls competed for the title. Just being in the contest was an honor because they had already been chosen to represent their classes or organizations.

The girl finally chosen to fill the position of G.H.S. Panther Queen was Becky Reynolds. Becky is the daughter of Mr. and Mrs. Ernest Reynolds of Greenbrier and represented the Junior Class. She was chosen by a panel of 5 judges who graded her on poise, beauty, and the ability with which she answered her question.

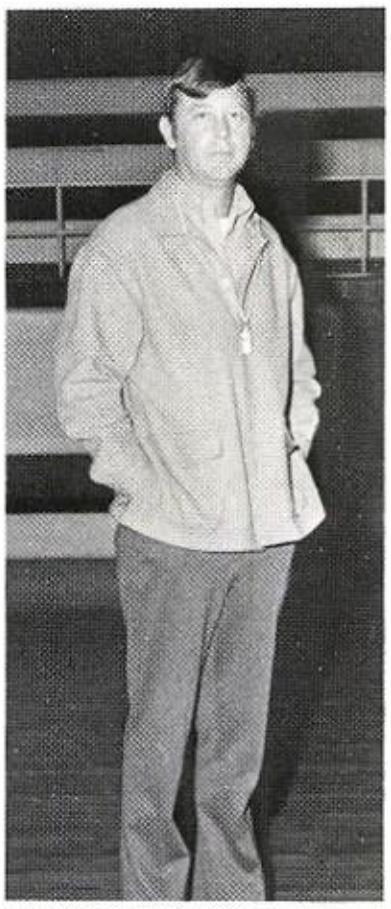
Senior Girls



The Senior Girls started the season out well by winning but fell short in their second game against Elkins. They came right back to win their next six ballgames, including the Greenbrier Tournament.

During the middle of the season, the girls were unsteady. They would win a few and then take a losing streak. But it all came out for the good, because they came on strong at the last, which is the way it should be, by winning the County Tournament with a one point victory over Enola.

They then went into District Tournament ready to play and defeated Perryville and Lake Hamilton, which assured them a place in the State Tournament. They wound up on the losing end in the finals against Ouachita. The girls tried hard but were beaten by two points in over time. This then gave them the First Runner-Up trophy.

Next came the State Tournament at Arkadelphia. They won their first game against Mansfield but were overcome by Foreman. This brought their season to an end with an over-all record of 16-9.

GIRLS!!!

For this to be Coach Ruple's first year at Greenbrier, the Jr. Girls have certainly done well this season, ending it with a 17-5 record.

The girls started out well by winning the first four ballgames. They were then met by Plummerville, only to bounce right back against Enola. Each time they lost a game, they always came right back to get revenge.

It's been a good year for the young Pantherettes, with their season ending in the semi-finals in the District Tournament at Ouachita. The girls tried hard, only to be defeated by Clinton by one point. Their season was brought to an end, with an average of 44 points per game.
